

NSF Science Code & Description

A.01: Aeronautical/Astronautical - Engineering

A.02: Bioengineering/Biomedical - Engineering

A.03: Chemical - Engineering

A.04: Civil - Engineering

A.05: Electrical - Engineering

A.06: Mechanical - Engineering

A.07: Metallurgical/Materials - Engineering

A.08: Other - Engineering

B.01: Astronomy - Physical Sciences

B.02: Chemistry - Physical Sciences

B.03: Physics - Physical Sciences

B.04: Other - Physical Sciences

C.01: Atmospheric - Environmental Sciences

C.02: Earth Sciences - Environmental Sciences

C.03: Oceanography - Environmental Sciences

C.04: Other - Environmental Sciences

D.00: Mathematical Sciences

E.00: Computer Sciences

F.01: Agricultural - Life Sciences

F.02: Biological - Life Sciences

F.03: Medical - Life Sciences

F.04: Other - Life Sciences

G.00: Psychology

H.01: Economics - Social Sciences

H.02: Political Science - Social Sciences

H.03: Sociology - Social Sciences

H.04: Other - Social Sciences

I.00: Other Sciences

J.01: Education - Non-Science and Engineering

J.02: Law - Non-Science and Engineering

J.03: Humanities - Non-Science and Engineering

J.04: Visual and Performing Arts - Non-Science and Engineering

J.05: Business and Management - Non-Science and Engineering

J.06: Communication, Journalism and Library Science - Non-Science and Engineering

J.07: Social Work - Non-Science and Engineering

J.08: Other - Non-Science and Engineering
