Registration Conditions:

7. The registrant shall notify the Bureau of Radiation Control (BRC) within thirty days of any change which renders the information contained in their application no longer accurate. Changes that are not reported within thirty days or failure to pay the assessed fees shall result in termination of this registration.

8. No person, in any advertisement, shall refer to the fact that a source of radiation is registered by the BRC and no person shall state or imply that any activity under this registration has been approved by this department.

9. Authorized nonionizing radiation users for this registration will be approved by the LSO. A current list of the approved operators will be maintained at the facility.

10. Except as specifically provided otherwise by this registration, the registrant shall possess and use the laser(s) in accordance with the statements, representations and procedures contained in:
   i. Letter of LSO Acknowledgment dated June 23, 2020, signed by Leon Harris, LSO.

POST IN ACCORDANCE WITH R9-7-1002

The Registrant’s installation and the non-licensed source(s) of radiation is(are) hereby duly registered pursuant to A.R.S. § 30-672 and in reliance on statements and representations heretofore made by the registrant in application dated February 24, 2020, signed by Keith Carsten, Assistant Director, RLSS.
