TITLE: Emergency Use of a Test Article – Post Review

PURPOSE: Communicate the review of notifications of emergency uses of test articles in a life-threatening situation

RESPONSIBILITIES: HSPP Staff
Designated Reviewer

PROCEDURES:

The Designated Reviewer reviews the information regarding the proposed or actual emergency use of a test article using “HRP-317 - WORKSHEET: Emergency Use of a Test Article” as outlined in SOP-051: Emergency Use of a Test Article Review.

Complete an HSPP Correspondence Form and send it to the investigator if the Designated Review indicates the following:

• the proposed use will follow FDA regulations
• the proposed use will NOT follow FDA regulations
• the actual use followed FDA regulations

If the Designated Reviewer indicates that the proposed use did NOT follow FDA regulations:

• Complete an HSPP Correspondence Form and send to the investigator.
• Manage under SOP-014: Reportable Items” as Non-Compliance.
